LEGISLATIVE UPDATE

On January 26th Governor Corzine gave a “conditional veto” to S79/A961, the proposed legislation that will clarify and set uniform guidelines for the handling of food allergies and the administration of epinephrine in New Jersey schools. It is expected that he will approve this much needed legislation once the proposed modifications are made.

OUR YAHOO GROUP

Check out our Yahoo Group online, a forum for our group to share tips, food resources, restaurant suggestions and provide support between meetings. There are links to food company web sites providing up-to-date ingredients and info. Visit our website at <http://fasgmc.tripod.com> and sign up if you haven't already or email Ellen at zena68@yahoo.com with any questions.
